PURPOSE AND OVERVIEW (max. 5 sentences)

The aim of the course is to develop the scientific knowledge and theoretical concepts, and acquire competences and academic skills in the field of gender equality and gender-based violence, as well as to develop creative abilities and master specific practical skills needed for future career (master of Interior Affairs).

By the end of the course, students will acquire the necessary knowledge, competences and skills, which will enable them to:
1) *develop a systematic approach to legal problems and to offer critical and analytical answers related to gender equality and gender-based violence;* 2) *to competently and scientifically discuss, research and present the results of their scientific work at scientific conferences and publish their papers in scientific journals;* 3) *independently solve practical and theoretical problems in the field of criminal justice and organize their scientific research;* 4) *take part in international and national research projects;* 5) *keep up with the contemporary developments in the profession and put the acquired knowledge into practice, in the context of exercising the fundamental principles of the rule of law.*

SYLLABUS (brief outline and summary of topics, max. 10 sentences)
